A photograph showing three long, narrow wood plank samples laid out on a dark grey concrete floor. The planks have a light, off-white or pale grey finish with a visible wood grain pattern. The grain is oriented vertically. The planks are arranged in a slightly overlapping manner, with one plank in the center and two flanking it. The background is a dark, textured concrete surface.

**WB-117E**

A photograph showing three long, narrow wood plank samples laid out on a dark grey concrete floor. The planks have a rich, dark brown stain with a prominent wood grain pattern. The grain is oriented vertically. The planks are arranged in a slightly overlapping manner, with one plank in the center and two flanking it. The background is a dark, textured concrete surface.

WB-131E

This image shows a sample of wood-look laminate flooring, model WB-131E. The sample is a rectangular plank with a light beige or tan color and a natural wood grain pattern. It is placed on a dark reddish-brown surface. The wood grain features several prominent knots and a slightly wavy texture. The plank is oriented vertically, with its top edge towards the top of the frame.

WB-132E

This image shows a sample of wood-look laminate flooring, model WB-132E. The sample is a rectangular plank with a light beige or tan color and a natural wood grain pattern. It is placed on a dark reddish-brown surface. The wood grain features several prominent knots and a slightly wavy texture. The plank is oriented vertically, with its top edge towards the top of the frame.

WB-133E

This image shows a rectangular laminate sample with a light oak wood grain pattern. The grain is oriented vertically and features natural-looking knots and variations in tone. The sample is placed on a dark reddish-brown background.

WB-134E

This image shows a rectangular laminate sample with a light grey wood grain pattern. The grain is oriented vertically and features natural-looking knots and variations in tone. The sample is placed on a dark reddish-brown background.

WB-146E

A photograph of a wooden plank sample, model WB-149E, laid on a dark grey surface. The plank is light brown with a prominent vertical grain and several knots. It is positioned vertically, with a smaller rectangular piece of the same material placed horizontally across its upper portion. The text 'WB-149E' is printed in black at the top left of the plank.

WB-149E

A photograph of a wooden plank sample, model WB-150E, laid on a dark grey surface. The plank is light brown with a vertical grain and knots, similar to the first sample. It is positioned vertically, with a smaller rectangular piece of the same material placed horizontally across its upper portion. The text 'WB-150E' is printed in black at the top left of the plank.
